

April 4, 2022 (40 days)

The enemy continues to launch air strikes on critical infrastructure of Ukraine. Factories, warehouses, oil depots are being destroyed. In particular, last night a hostile object was dropped on the territory of the oil base in **Ternopil**.

This morning several rocket blows were struck on sleeping areas of Mykolaiv. In the afternoon the mayor of **Mykolaiv** reported that the city fire at cluster shells. In the evening of April 3, the city of Ochakiv was shelled.

In the evening, the city of **Kharkiv** was shelled, killing 7 people and injuring 34.

The shelling in eastern Ukraine is intense. In the **Donetsk region**, Avdiyivka, Vuhledar, and Svitlodarsk came under jet artillery fire. **Mariupol** remains under blockade. The green corridor promised for the Red Cross did not work.

In the **Luhansk region**, cities are under constant mortar fire. Civilians are dying, houses are being destroyed. In Rubizhne, the Russian military fired on a church and wounded two priests.

The situation on the border of **Kherson** and Mykolayiv regions is complicated, in 67 villages there is no water supply and electricity, medicines, food.

Demining continues in the occupied settlements of **Kyiv Region**. Gas, electricity, communications and humanitarian aid are also being restored.

The UN Security Council refused to hold a meeting today at the request of Russia, which demanded "to discuss the provocation of Ukrainian radicals in Bucha."

As a result of the armed aggression of the Russian Federation in Ukraine **161 children died**, 264 - were wounded.
